

Mohammed MEKHANET was born in Laghouat, Algeria, in 1961. He obtained his Electrical Engineering diploma in 1987, at Polytechnic National School of Algiers, Algeria, and his *Magister* and *PhD degrees* in 2007 and 2018 respectively. In 2007, he joined the electrical Engineering Department of Laghouat University, as Assistant Lecturer.

He is also a Team Member of “Power System Optimization and Control” research group of LACoSERE Laboratory, Laghouat University. His Main research interests include Optimization and CAD in Electric power System, Power system stabilizer.

Correspondence Address: LACoSERE Laboratory, Electrical Engineering Department University Amar Telidji-Laghouat BP 37G Lagouat, Algeria.

Lakhdar MOKRANI was born in Batna (Algeria), on March 5, 1970. He obtained his *engineer* and *Ph.D.* degrees in electrical engineering, in 1994, 2005 respectively from Batna University (Algeria). In 1997, he joined the electrical engineering department of Laghouat University (Algeria) as Assistant Lecturer From 2005 to 2012, he was a Lecturer, and since 2012, he is a *full professor* at the same department. He is also the responsible of “Control and Energy Management of Electrical Systems” research group of the LACoSERE Laboratory, Laghouat University (Algeria).

His main research area includes Modelling and CAD of Electrical Machines, Electrical Drives Control and Renewable Energy Systems Control and Management.

Correspondence address: LACoSERE Laboratory, Electrical Engineering Department Amar Telidji University of Laghouat, Algeria.
